Thanksgiving 2020 Cafeteria Heroes Campaign: **Not All Heroes Wear Capes**

Since schools closed mid-March 2020, NYC school **Cafeteria Workers** have been providing meals for all New Yorkers. Serving as many as 2 million meals in a week to our families across Brooklyn, the Bronx, Manhattan, Queens, and Staten Island. These are the heroes for all NYC public school students and their families.

NYC schools closed again on Thursday, November 19, and yet our **Cafeteria Heroes** will continue to serve meals to all **New Yorkers**.

This is why this Thanksgiving **Youth Food Advocates** is grateful for the hard work and dedication of our **Cafeteria Heroes**.

We invite you to join our **Not All Heroes Wear Capes Campaign** to support and stand by our **Cafeteria Heroes**.
